EASTER CHRIST'S VOICE

Our lives are filled with noise and distractions and calamities that drown out the voice we desperately strain to hear: the voice of reason, the voice of assurance, the voice of unconditional and unqualified love. Such is the voice of Jesus the Good Shepherd, who speaks to us in the quiet of our hearts, in the unqualified love of family and friends, in the cries of those who call out to us in need. Grace is to hear the Easter Christ's voice of mercy, justice, and reconciliation amid the demanding and conflicting voices that shout at us every day of our lives. Copyright *Living Liturgy 2018*
